Speaker: Dr. Erinn McComb – Associate Professor of History at Del Mar College. Erinn McComb will join us on Thursday for the 80th anniversary of D-Day. She will talk to us about the contributions Corpus Christi residents made on that fateful day. D-Day pilots trained at the Naval Air Station, residents manufactured military weaponry, and some fought valiantly at Omaha beach. As we look back on the 80th anniversary we will find Corpus Christi’s contributions crucial to the defeat of fascism, the preservation of civilization, and the liberation of “a suffering humanity.”

Rotarians, never doubt that a small group of thoughtful, committed citizens can change the world; we are Rotary.

President Marge Dewitt-Crocker
