Dear Rotary Club,

I am writing to express my sincere gratitude for being selected as a recipient of the 4 Way Rotary Test Scholar Award. Receiving this scholarship is not only an honor but also a tremendous help in achieving my educational goals. I am a graduating senior of the Harold T. Branch early college high school class of 2024 as Salutatorian in Corpus Christi Texas.

I am truly grateful for your generosity and support. Thanks to your scholarship, I can focus more on my studies at the University of Texas at Austin and worry less about financial burdens. Your investment in my education has inspired me to work harder and strive for excellence in all aspects of my academic and personal endeavors.

This scholarship means more to me than just financial assistance. This money is allowing me to fulfill my dream of going to medical school and studying as a biology major on a pre-med track with a minor in business at the University of Texas. I am committed to making the most of this opportunity and promise to continue working diligently to achieve my academic and career goals.

I am also deeply inspired by your commitment to supporting students like myself in pursuing higher education. Your generosity is making a meaningful difference in the lives of students, and I hope to one day pay it forward and support others in their own journeys just as you have supported me. I look forward to attending college, becoming a member of the Women in STEM organization, and one day graduate from Dell Medical school in Austin as a pediatrician.

Once again, thank you for investing in my future and for believing in my potential. I am incredibly grateful for your support and will carry the values of hard work, determination, and generosity with me as I continue my academic journey.

Sincerely,

Aurora Cano
