Speaker: Adrien Hilmy Project Manager for Coastal Bend Bays and Estuaries—Sarita Rain Garden Project Update: The Rotary Club of Corpus Christi is partnering with several other Rotary Clubs, the Coastal Bend Bays and Estuaries Program and the Kennedy County Common School District to put a rain garden on the Sarita Elementary School campus. Rain Gardens are listed as a green infrastructure best management practices to address stormwater because they are designed to collect rainwater from the roof, driveway, parking lot, or street and allow it time to soak into the ground. Grant funds will be used for design and construction of the rain garden, which will serve as a demonstration project for surrounding communities. Join us as Adrien Hilmy from CBBEP gives us an overview of the Bringing Back Baffin Bay— Global Grant Project the Sarita Rain Garden.
