Speaker: Kristi Phillips Executive Director for Family Counseling Services—

Join us this Thursday to hear about Family Counseling Services. Established in 1942 by the Community Chest (now known as the United Way) to provide financial counseling. The services have evolved since then, based on community need. They currently provide mental health services to a variety of clients. Family Counseling Service strives to continuously evaluate the needs of the community to provide access to high quality services, regardless of the client's ability to pay. You do not want to miss this opportunity to learn more!

Do you want to pre-pay for your meal? Click on the link to pre-pay for your meal by 9 am on Thursday.
